A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

City of Shishmaref	=	City
Bering Straits Regional Housing Authority	=	BSRHA
Alaska Native Tribal Health Consortium	=	ANTHC
Financial Assistance Sub-Award	=	FSA
Denali Commission	=	Commission

On Oct. 4, 2002, ANTHC, the City of Shishmaref, and Bering Straits Regional Housing Authority executed an FSA authorized by the Denali Commission to renovate the city's existing washeteria. The scope of work included replacing 4 dryers and 6 washers, improving the bathrooms, and renovating the dryer hydronics system. No outdoor construction was performed. This project included design and planning, materials and equipment, construction, and labor.

The project was originally funded with \$102,695 (\$85,902 scope of work, \$16,793 professional operations charges) of Commission funds, via Denali Commission Financial Assistance Award No. 0068-DC-2002-I21, Amendment No. 1, dated June 2002. Additionally, the City and BSRHA each provided \$5,000 of matching funds.

On March 30, 2004, ANTHC and the City of Shishmaref executed an FSA authorized by the Denali Commission to add \$5,000, via Denali Commission Financial Assistance Award No. 0068-DC-2002-I21, Amendment No. 3, dated April 2003. Commission funding therefore totaled \$107,695. The additional funds were used to resolve load center and electrical wiring problems related to replacing the washers and dryers provided by the original project.

B. REVISION OF PROJECT FUNDING

This Amendment adds \$27,500 to cover cost overruns. The overruns occurred due to unanticipated renovation needs and consequent increases in material costs. The additional funds are provided via Denali Commission Financial Assistance Award No. 272-07, dated February 2007.

Project funding therefore totals \$145,195.

A revised cost estimate table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources			
						Denali FY02	Denali FY07	City	BSRHA
C-WA	Renovate washeteria	1	LS	128,402	128,402	90,902	27,500	5,000	5,000
Shishmaref Award					\$128,402	\$90,902	\$27,500	\$5,000	\$5,000
M-PP	Professional Operations Charges				16,793	16,793			
Total Award					\$145,195	\$107,695	\$27,500	\$5,000	\$5,000

Note: The M-PP funds were provided via the original award.

This document constitutes Amendment No. 2 to renovate the existing washeteria in Shishmaref, Alaska. All other sections of the original FSA and/or Amendment No. 1 remain in effect as agreed upon and executed.

MEMORANDUM

DATE: March 2007

FROM: Director, Central Engineering Services

SUBJECT: City of Shishmaref – Environmental Review
Project No. AN 02-G42, Amendment No. 2

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in September 2002 with respect to the proposed sanitation facilities construction at Shishmaref, Alaska under Project No. AN 02-G42. This Amendment will not change the scope outlined in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
